

Job Advertisement: Part-time Seasonal Keeper

Location: Hogshaw Farm and Wildlife Park MK18 3LA

Salary: Up to £12.21 per hour

Hours: 9.5 - 30 per week

About Us: Hogshaw Farm and Wildlife Park is a growing 44-acre family farm-park attraction, home to over 250 animals, located in the beautiful Buckinghamshire countryside.

Role Purpose: The successful candidate will care for our rare breed livestock species, assist with breeding and be responsible for general animal husbandry.

Key Responsibilities:

- Care for our rare breed livestock to a high standard also ensuring preventative treatments and general husbandry. Opportunities to work with some exotic and wildlife species.
- Maintain high standards of animal welfare and record-keeping.

Essential Requirements:

- 1 year animal care experience.
- Additional Animal care experience desirable but not essential.
- Full driving licence and willingness to commute.
- Basic DIY competence and willingness to learn.
- Interest and experience in rare breeds desirable but not essential.

Why Join Us?

Join our small, dynamic team at a crucial stage of our development where you have the opportunity to actively contribute to the commercial and operational success of the business. With this exciting role you will also benefit from:

- Free or subsidised meals on duty
- Discounts in our retail & catering outlets
- Free & discounted admission tickets
- Twice yearly staff social events
- Working in a family run business, where work-life balance is understood and supported.
- Training and development opportunities

Apply Now: If you are a proactive, detail-oriented, and enthusiastic individual with a creative eye and a passion for nature, we want to hear from you! To apply, please send your CV and a cover letter outlining your experience and suitability for the role to darren@hogshawfarm.co.uk
