Welcome to Five Pigs Cafe

Our ethos is local, sustainable and homemade,
served without fuss by warm and friendly people.

We work with sustainable, often BCorp partners, we use fresh produce
from Hogshaw gardens and our menu shares a passion for locally
sourced, only ever cooked fresh to order.

Our bakes and treats are made daily by our in house
Baker, Georgia, and change regularly.

Eating in is encouraged, take away is no problem. We love the animals
but you don't need to visit the Farm to enjoy Five Pigs Cafe.

Enjoy the menu, scan the boards and we will come to your table to take
care of you. If you want to head to the counter, that's also good with us.
