

Welcome to **Five Pigs Cafe**

Our ethos is **local**, sustainable and **homemade**, served without fuss by warm and friendly people.

We work with **sustainable**, often BCorp partners, we use **fresh** produce from Hogshaw gardens and our menu shares a passion for locally sourced, only ever cooked **fresh** to order.

Our bakes and treats are made **daily, in house**, by our team, our **smoothies** are made with real fruit, and our **shakes** from scratch.
